

746 Hemisphere 1%

Non Transparent

Flame Retardant

External Roller Blinds

A high density weave that provides exceptional solar protection and visual privacy

Features

- Reduces heat transmission
- Eliminates glare in direct sunlight, and provides UV protection
- Allows moderate flow of fresh air
- Creates visual privacy screening

Care Instructions

Regularly wipe clean with a solution of mild soap and water using a soft damp cloth or soft bristle brush. Rinse thoroughly with fresh water and allow the fabric to dry completely before it is rolled up.
