

Ambience Roller Blind

Product Information

The **Verosol Ambience Roller Blind** combines refined aesthetics with robust performance, making it ideally suited to both residential and commercial applications.

At the heart of the system is Verosol's exclusive Chain Drive Mechanism, featuring an elegant teardrop design and direct-action operation with a high-performance bearing, delivering up to 20% greater strength than standard chain drive mechanisms. A dual high-tensile wound spring applies only the precise braking force required to hold the blind securely in the desired position, providing smooth, reliable operation.

Available in chain control or motorised configurations, the Ambience Roller Blind offers a sophisticated and versatile solution for contemporary interiors.
